Thank You Coach John!

John Hallberg has stepped down from coaching our E Boys, so he can support his son during his school wrestling events. His assistant coach, Brian Kimura has stepped in to coach the team with assistance from Canh Tran. John began his coaching tenure at Florin as an assistance coach for his son Joshuwa's D Boys team, and over the years took on the reign as coach to not only his other son Davis, but his great-nephews - Christien, Anthony and Matteo Lopez.

The Athletic Program extends our sincerest appreciation to John for his dedication and patience, as well as sharing his love of basketball throughout his years coaching for Florin. We hope you will return to coaching one day, but until then - **DOMO ARIGATO COACH JOHN!**
